**Reading (and/or Video) Assignment:**

The purpose of the reading assignment is to analyze the reading(s) (and at times the videos) and show an understanding of the content and strategies provided. Students are also responsible for reflecting on and explaining how these new strategies can be applied to their own practice.

Reading Assignment Rubric:

Grade	Description
A (14-15)	Student answers all questions thoroughly with detail. The responses are well thought out and in depth and show understanding of what it means to promote student engagement through teacher language or class discussions. The examples given are detailed to the point that it is very clear what the outcome will look like in the classroom.
B (12-13)	Student answers all questions. Examples of new strategies are explained. More detail could have been given in one or more of the responses.
Not Passing (11 or below)	Some questions are complete while others are not. Student may have left out examples or just failed to answer all parts of the question. Engagement strategies are mentioned but full understanding is missing.

**Implementation Plan:**

The purpose of the Implementation Plan is for students to show how they will implement strategies from the course in their lessons and/or school days in the future. Students are responsible for creating a 4 week unit plan for one of the units in their curriculum that includes regular implementation of the strategies from the course within the lessons of the unit.

Implementation Plan Rubric:

Grade	Description
A (18-20)	Student's unit plan is a minimum of 4 weeks and includes all of the required components. Student also includes all of the required components for each lesson within the plan. Student demonstrates the implementation of learned

	strategies, and there is clear evidence that one or more strategies from the course are incorporated within each lesson.
B (16-17)	Student's unit plan is a minimum of 4 weeks and includes the required components. Student also includes the required components for the majority of the lessons within the plan, but 1-5 of the lessons are incomplete. Student demonstrates the implementation of learned strategies, and there is evidence of one strategy from the course incorporated within each lesson.
Not Passing (15 or below)	Student's unit plan is 3 weeks or less and includes some of the required components, but one or more are missing. Student includes some of the required components for the lessons within the plan, but 6 or more of the lessons are incomplete. Student partially demonstrates the implementation of learned strategies. Some of the lessons have strategies from the course incorporated while others do not, or none of them do.

**Lesson Plan:**

The purpose of the lesson plan assignment is to see a more detailed account of students utilizing the strategies from the course within their lessons. This provides a specific example of what will happen in the classroom.

Lesson Plan Rubric:

Grade	Description
A (14-15)	Student's lesson plan includes all of the required components. All activities within the lesson plan are described in detail. There is clear evidence that multiple strategies from the course were used throughout the lesson.
B (12-13)	Student's lesson plan includes the majority of the required components, but 1 or 2 are missing. Some detail is used when describing the activities within the lesson, but some activities are missing detail. There is evidence that multiple strategies from the course were used throughout the lesson.
Not Passing (11 or below)	Student's lesson plan is missing several of the required components. The activities within the lesson are not described in detail. There is little or no evidence that strategies from the course were used throughout the lesson.

**Discussion Board:**

The purpose of the discussion boards is to share ideas and experiences with fellow teachers in order to learn from each other and inevitably improve everyone's practice. For each discussion board, students are responsible for responding to the questions presented in a well-thought out response. Students must also reply to a minimum of 1 other student's response per discussion board.

Discussion Board Rubric:

Grade	Description
-------	-------------

A (5)	Student's responses are clear, well written, and include a high level of detail. Student answers all parts of the question(s) thoroughly using clear and highly appropriate evidence from the course. For each discussion board, student also completes a minimum of 1 reply to another student's post. The reply is thoughtful and incorporates ideas learned from the course.
B (4)	Student's responses are clear, well written, and include some amount of detail. Student answers the majority of the question(s) thoroughly using appropriate evidence from the course. For each discussion board, student also completes a minimum of 1 reply to another student's post. The reply is thoughtful and incorporates ideas learned from the course. OR Student's response meets the requirements of an A. However, they did not include a reply to another student's post.
Not Passing (3 or below)	Student's responses are unclear and do not include very much detail. Student answers some of the question(s) using some or no evidence from the course. The reply to another student's post is brief and does not incorporate ideas learned from the course, or it is missing all together.

**Final Reflection Paper:**

Within the final paper, students must explain the strategies from the course they plan to implement and reflect on the impact they hope those strategies will have on their practice and on student learning. Students will also explain how they plan to implement the strategies, aspects they valued, and aspects they would modify.

**Final Paper Rubric:**

Grade	Description
A (36-40)	Student has included all of the strategies and guidelines listed in the assignment geared towards promoting student engagement. Student has provided a detailed explanation of how strategies for lesson planning, teacher language, 2 or more class discussions, and 1 or more strategies from the videos were implemented into the lessons. If anything was modified, the student has explained how and why those aspects were changed. Lastly, student has answered all of the reflection questions.
B (32-35)	Student has included the majority of the strategies and guidelines listed in the assignment geared towards promoting student engagement. However, only 1 class discussion was implemented. Student has provided an explanation of how strategies for lesson planning, teacher language, and 1 class discussion were implemented into the lessons. 1 or 2 other strategies might be incomplete or missing. The missing strategy might be a strategy from the videos. If anything was modified, the student has explained how and why those aspects were changed. Lastly, student has answered the majority of the reflection questions, but one or two are missing.
Not Passing (31 or below)	Student has included some of the strategies and guidelines listed in the assignment geared towards promoting student engagement. However, out of

	<p>the 3 categories of lesson planning, teacher language, and class discussions, 1 or more are missing entirely. The strategy from the videos might also be missing. If anything was modified, the student did not explain how and why those aspects were changed. Student has answered some of the reflection questions but responses are incomplete, or none of the questions have been answered.</p>
