## Reading Comprehension Syllabus

3 credits

**Course Description:** This course provides strategies to improve student reading comprehension while reading fiction and non-fiction. Presented within the course is a three-part approach to reading comprehension, which involves an emphasis on what is done before the reading takes place, while reading takes place, and after the reading is done. Using strategies to help with all three parts of the reading process, educators can help students really understand what it is they are reading.

### Learning Objectives:

- Students will learn a three-part approach to reading comprehension that includes strategies for before, during and after reading.
- Students will be able to incorporate strategies for before, during, and after reading to improve reading comprehension for multiple reading assignments in the classroom.
- Students will develop skills to reflect on & improve their own teaching practices.

### Required Texts:

- “Chapter 4 – Tools for Active Literacy: The Nuts and Bolts of Comprehension Instruction” from the book *Strategies that Work: Teaching Comprehension for Understanding and Engagement, 2nd Edition* by Stephanie Harvey and Anne Goudvis.
- “Chapter 8: Supporting Engaged Readers” from the book *Engaged Learning* by Richard VanDeWeghe.

### Course Components:

This course includes selected readings, selected videos, discussion boards, online assignments, and a final paper. All components and all course materials can be found on the Schoology course page. **Reading (and/or Video) Assignment:**

The purpose of the reading assignment is to analyze the reading(s) (and at times the videos) and show an understanding of the content and strategies provided. Students are also responsible for reflecting on and explaining how these new strategies can be applied to their own practice.

**Reading Assignment Rubric:**

Grade	Description
A (14-15)	Student answers all questions thoroughly with detail. The responses are well thought out and in depth and show understanding of what it means to read in the classroom as well as ensure reading comprehension. The examples given are detailed to the point that it is very clear what the outcome will look like in the classroom.
B (12-13)	Student answers all questions. Examples of new strategies are explained. More detail could have been given in one or more of the responses.
Not Passing (11 or below)	Some questions are complete while others are not. Student may have left out examples or just failed to answer all parts of the question. Reading comprehension is mentioned but full understanding is missing.

**Implementation Plan:**

The purpose of the Implementation Plan is for students to show how they will implement strategies from the course in their lessons and/or school days in the future. Students are responsible for creating a 4 week unit plan for one of the units in their curriculum that includes regular implementation of the strategies from the course within the lessons of the unit.

**Implementation Plan Rubric:**

Grade	Description
A (18-20)	Student's unit plan is a minimum of 4 weeks and includes all of the required components. Student also includes all of the required components for each lesson within the plan. Student demonstrates the implementation of learned strategies, and there is clear evidence that one or more strategies from the course are incorporated within each lesson.
B (16-17)	Student's unit plan is a minimum of 4 weeks and includes the required components. Student also includes the required components for the majority of the lessons within the plan, but 1-5 of the lessons are incomplete. Student

	demonstrates the implementation of learned strategies, and there is evidence of one strategy from the course incorporated within each lesson.
Not Passing (15 or below)	Student's unit plan is 3 weeks or less and includes some of the required components, but one or more are missing. Student includes some of the required components for the lessons within the plan, but 6 or more of the lessons are incomplete. Student partially demonstrates the implementation of learned strategies. Some of the lessons have strategies from the course incorporated while others do not, or none of them do.

**Lesson Plan:**

The purpose of the lesson plan assignment is to see a more detailed account of students utilizing the strategies from the course within their lessons. This provides a specific example of what will happen in the classroom.

Lesson Plan Rubric:

Grade	Description
A (14-15)	Student's lesson plan includes all of the required components. All activities within the lesson plan are described in detail. There is clear evidence that multiple strategies from the course were used throughout the lesson.
B (12-13)	Student's lesson plan includes the majority of the required components, but 1 or 2 are missing. Some detail is used when describing the activities within the lesson, but some activities are missing detail. There is evidence that multiple strategies from the course were used throughout the lesson.
Not Passing (11 or below)	Student's lesson plan is missing several of the required components. The activities within the lesson are not described in detail. There is little or no evidence that strategies from the course were used throughout the lesson.

**Discussion Board:**

The purpose of the discussion boards is to share ideas and experiences with fellow teachers in order to learn from each other and inevitably improve everyone's practice. For each discussion board, students are responsible for responding to the questions presented in a well-thought out response. Students must also reply to a minimum of 1 other student's response per discussion board.

Discussion Board Rubric:

Grade	Description
A (5)	Student's responses are clear, well written, and include a high level of detail. Student answers all parts of the question(s) thoroughly using clear and highly appropriate evidence from the course. For each discussion board, student also completes a minimum of 1 reply to another student's post. The reply is thoughtful and incorporates ideas learned from the course.

B (4)	<p>Student's responses are clear, well written, and include some amount of detail. Student answers the majority of the question(s) thoroughly using appropriate evidence from the course. For each discussion board, student also completes a minimum of 1 reply to another student's post. The reply is thoughtful and incorporates ideas learned from the course.</p> <p>OR</p> <p>Student's response meets the requirements of an A. However, they did not include a reply to another student's post.</p>
Not Passing (3 or below)	<p>Student's responses are unclear and do not include very much detail. Student answers some of the question(s) using some or no evidence from the course. The reply to another student's post is brief and does not incorporate ideas learned from the course, or it is missing all together.</p>

### Final Reflection Paper:

Within the final paper, students must explain the strategies from the course they plan to implement and reflect on the impact they hope those strategies will have on their practice and on student learning. Students will also explain how they plan to implement the strategies, aspects they valued, and aspects they would modify.

### Final Paper Rubric:

Grade	Description
A (36-40)	<p>Student has developed 2 or more in class reading assignments or activities and has used the "Trinal (3 part) Approach" for each one. For each reading assignment, there is 1 strategy used for each part of the "Trinal Approach" (before, during and after reading). Student has provided a detailed explanation of how strategies for each part of the "Trinal Approach" were implemented into the lessons. If anything was modified, the student has explained how and why those aspects were changed. The explanation also includes how each strategy helped improve students' reading comprehension. Lastly, student has answered all of the reflection questions.</p>
B (32-35)	<p>Student has developed 2 in class reading assignments or activities and has used the "Trinal (3 part) Approach" for each one. For one of the reading assignments, there is 1 strategy used for each part of the "Trinal Approach" (before, during and after reading). For the second reading assignment, the "Trinal Approach" is incomplete, and there is one part missing. Student has provided an explanation of how strategies for each part of the "Trinal Approach" were implemented into the lessons. If anything was modified, the student has explained how and why those aspects were changed. The explanation also includes how each strategy helped improve students' reading comprehension. Lastly, student has answered the majority of the reflection questions, but one or two are missing.</p>
Not Passing (31 or below)	<p>Student has developed 1-2 in class reading assignments or activities and has partially used the "Trinal (3 part) Approach". The "Trinal Approach" is incomplete for 1 or both of the reading assignments with one or more parts missing. There is some explanation about how the parts were incorporated and</p>

	<p>how they improved reading comprehension but it is incomplete. If anything was modified, the student has not explained how and why those aspects were changed. Student has answered some of the reflection questions but responses are incomplete, or none of the questions have been answered.</p>
